Hi – Abi and I were looking at the latest itinerary. If you want to visit the mine, it takes 2.5 hours to get to Gold King Mine from Farmington. Then, from the mine, it takes 2 hours to get to the Durango airport. We need your input on how/whether to fit in the mine tour (see below).

Also, Rusty has “to arrange with our Ops Section for access, and because media want to get up there too, we may have some press follow on to our visit.” This will probably extend the tour time.

Options:

If you do lunch with the Navajo speaker, we would need to reschedule your departure.

1:00-3:30pm Drive to Gold King Mine

3:30-4:45pm Tour and media

4:45-6:45pm Drive to Durango Airport

7:34pm Depart for SFO (wheels down 11:35pm)

If you don't stay for press and lunch, we can keep you departure.

11:15am-1:45pm Drive to Gold King Mine

1:45-3:00pm Tour and media

3:00-5:00pm Drive to Durango Airport

5:46pm Depart for SFO (wheels down 9:31pm)
